

Community-Led Collaboration Project

We want to hear from local community service providers.

Local community service providers in Castlegar and surrounding areas are invited to participate in a conversation about how to create a better network of services and supports for children and youth with disabilities or other support needs in your community.

We'll explore what is working for the families you support, what is missing and what better services and supports could look like in order to inform the future of services.

Conversations in Castlegar in June are part of the first phase of engagement in the area. The second phase will be a broader, regional conversation in the Fall with additional communities in the West Kootenays.

Friday, June 16th • 10 AM – 12 PM

Kootenay Family Place
767 11 Avenue, Castlegar

This is a FREE event. Food will be provided.
